Adult Catechesis -Jesus & Judaism

- 592 -Jesus did not abolish the mosaic law/ The Torah but rather fulfilled it (MT 5:17 -19) with such perfection that he revealed it's deeper & ultimate meaning (MT 5: 33) and redeemed the transgressions against it (HEB 9: 15)
- 593 -Jesus venerated the Synagogue by joining His people for the Sabbath Synagogue Service. Jesus also venerated the Temple of Jerusalem by going to it for the Jewish feast, and with a jealous love He loved Gods dwelling among His people. The temple of Jerusalem prefigures His own destiny and mystery -when Jesus announces the temple destruction he points to His own execution and the start of a new age/era in the history of salvation, when His Body i.e. the Church would become the definitive temple of God, and an instrument of Gods salvation.
- 594 -Jesus performed actions that showed Him to be the Saviour God Himself e.g. by forgiving people their sins (JN 5: 16 -18) certain religious and spiritual leaders of Israel who did not recognize Jesus as God made man (JN 1: 14) but only a Man who made Himself God (JN 10: 33) went on to judge Him to be a great blasphemer and deserving of death.
