### **ADULT CATECHISM: - THE SACRAMENT OF MATRIMONY/MARRIAGE - PART 1**

1659 - St Paul says: 'Husbands love your wives,' as Jesus Christ loves the Church and handed Himself over for her...He who loves his wife truly loves himself...This is a great mystery, but I speak in reference to Christ and the Church (Eph 5: 25,28 32)

1660 - The Marriage Covenant is between a man and a woman by which they form with each other an intimate communion of life and love. By its very nature it is for the good of the couple and for the generation and education of children. Jesus Christ raised marriage between the Baptized to the dignity of a Sacrament.

1661 - The Sacrament of Marriage signifies the union of Jesus Christ and the Church. It gives spouses the Grace to love each other as Jesus Christ loves the Church. The Grace of the Sacrament of Marriage perfects the human love of the spouses, strengthens their unity, and sanctifies them on the way to Eternal Life.

1662 - Marriage is based on the consent of the contracting parties, that is on their will to give themselves each to the other, mutually and definitively to live a covenant of faithful and fruitful love.
