ADULT CATECHISM: - THE SACRAMENT OF MATRIMONY/MARRIAGE - PART 2

1663 - The Sacrament of Marriage should be celebrated in public, in the context of a Liturgical celebration, before the Parish Priest (or a witness authorized by the Bishop), and the required witnesses, and the assembly of Christ's faithful

1664 - Unity, indissolubility and openness to fertility/children are essential to Marriage therefore:

- 1) Polygamy is against the unity of Marriage.
- 2) Divorce separates what God has joined together.
- 3) The refusal of Fertility turns Married life away from its essential purpose of having children and forming a Family.

1665 - The remarriage of people who are divorced from a lawful spouse goes against the plan and Law of God as taught by Jesus

(See MT: -19: 1-12) They are not separated from the Church, but they cannot receive Holy Communion.

1666- The Cristian home is the place where children receive the first proclamation of the Christian Faith. The family home is therefore called "The Domestic Church" a community of prayer and grace, a school of formation in human virtues and of Christian Life.
